Dear Parents / Carers,

Please find information for classes for next year. We wish Mrs Hipkin a very happy and restful maternity leave beginning in September and look forward to seeing her again later in the year. We are very pleased to welcome Mrs Styles to our teaching staff next year. She will join us in Year 4, covering Mrs Hipkin. Some of the class groups are being mixed up as the year group moves up. We do this to ensure a balance of friendship groups, gender, ability and additional needs.

Although children are allocated to a registration group, they may be in different sets and may move between sets during the year depending on the progress made. Additional teaching assistant support is allocated to every year group. This allows us to group children in each year group for specialist teaching where appropriate. The grouping arrangements mean we can provide intervention for small numbers of children. Children can be targeted for extra support in Phonics, Reading, Maths or Writing for example. Pupils will therefore have the opportunity to work with all members of their year, spending part of their time with their registration class.

**CHANGEOVER DAY**

The children have met their new teachers and visited their new classrooms this morning.

Yours sincerely

Mr T Leah
