11th October 2018

Dear Parents,

I have selected your child to take part in two Maths competitions over the next few weeks.

Competition 1

Leicester Grammar School have invited us to send a team of four Year 6 pupils to take part in a Maths competition on the afternoon of **Tuesday 30th October 2018**.

The children will take part in a series of different activities including 'Speed Round', 'Countdown', 'Problem Solving Circus' and 'Relay Round.' They will also be presented with certificates at the end of the afternoon and the winning team will be given a prize. Please note that the **children should wear trainers** as there is some running involved in the relay round.

As the competition is during the afternoon, the school will be arranging a taxi to transport the children to the Grammar School. I will be following the taxi in my car and I will be at the competition with the children throughout the afternoon. Please can you arrange to collect your child from Leicester Grammar School at approximately **3:30pm** on this day.

Competition 2

Explore Learning have invited us to take part in the National Young Mathematicians Award. Round 1 takes place on **Wednesday 7th November** from **11:30am to 1:45pm** at their centre near Fosse Park.

Mr. Leah is going to transport the children to and from this event. The children will need to take a packed lunch with them on the day. Explore Learning wish to photograph this event to celebrate our pupils' success with the local press.

Please give consent for your child to participate in these activities by clicking on the consent buttons below. Consent will need to be given by **9.30am on Wednesday, 24th October**. By giving consent you are also agreeing

- to arrange for your child to be collected from LGS at 3:30 on 30th October 2018.
- For your child's photograph being taken at the Explore Learning competition.

Yours sincerely,
Mr. O'Connell
Year 6 teacher
