18th September 2018

Dear Parents,

Year 1 Design and Technology Unit – Fruit and Vegetables

During the two weeks commencing 24th September, Year 1 will be undertaking a design and technology project investigating fruit and vegetables.

On Monday 24th September, they will taste different fruit and vegetables including courgette, grapes, pepper, plum, carrot, apricot, sweetcorn and mango.

On Wednesday 26th September we will be cooking pizzas.

On Tuesday 2nd October we will be baking banana muffins.

The children will bring home the food they have made along with a recipe and ingredient list.

Please let us know if your child has a food allergy or intolerance or if you have any religious or cultural beliefs which may affect their ability to take part in this activity.

Also, we would appreciate a few volunteers to help with the activities on Wednesday 26th September and Tuesday 2nd October from 10.30am to 12.10pm. Please let the Year 2 staff know if you are available to assist at this time.

Thank you for your ongoing support.

Yours sincerely

Miss Baum, Miss Bennett and Mrs Taylor
