19th December 2018

Dear Parents,

Year 5 Bikeability Cycle Training

We are pleased to be able to offer a Bikeability cycle training course for children in Year 5. The course will be run by Leicestershire County Council and will include theory, bike handling on the playground and if applicable, a closely supervised on-road assessment.

The course will take place during the week commencing 18th March 2019. The children will be put into groups and we will let you know which days your child will take part in the training, allowing you to plan for when bikes need to be in school.

There are only 36 places for cycle training and places will be awarded on a first-come-first-served basis.

If you would like your child to take part you will need to read the attached pre-course information and then return the consent form to the school office. Consent forms must be returned by Thursday 10th January.

If you would like your child to take part, you will need to ensure that they have a road-worthy bike, adjusted so that they can ride it comfortably. **A check list is attached so that you can ensure your child's cycle is suitable for safe riding. Please note that a helmet is also essential.** Children will need to bring their bikes on the allocated days. We will make arrangements for storing bikes safely during the day but it will be helpful if each bike has a secure lock.

Please note that participants must be able to ride a bike. However since the children have not yet completed the course, they must **walk** with the cycles to/from school and respect other users on the footpaths.

Yours sincerely

Mr Scranage
Year 5 Class Teacher
