Dear Parents,

Kibworth 'Phoenix' Art Project

See attached letter for details.

If any Year 6 children are interested in taking part in this Art competition then Mrs Tudor and I are happy to help them create their piece of Art during some lunchtimes at school.

Your child will need to think at home about what they want to do and come to us with a clear idea about the piece of Art they wish to create. We can help get materials and give the children time at lunchtime to do their art work.

Entries can be 3D models/textiles or more traditional pictures, however, they must be no larger than A3.

Your child should come to Miss Harrison's classroom tomorrow, Tuesday 20th November at 12:10pm if they are interested in taking part.

Entries need to be completed by 9am on Monday 3rd December. Entries will be displayed at Kibworth's Art Exhibition on Friday 7th December 6:30-8pm and there will be awards and refreshments on the night.

Yours sincerely

Dear Parents/Carers

RE: The Kibworth School Year 6 Art Exhibition

The Kibworth School was delighted to see so many Year 6 pupils and their families at our Open Evening, and hope you enjoyed seeing some of the displays and meeting our staff.

We would like to offer Year 6 students (only) the opportunity to enter our Art Exhibition. The theme is "Phoenix", in keeping with The Kibworth School Logo. Students have to submit their entries by 9am Monday 3rd December. The Kibworth School will collect entries between 9:30 and 10:30am from Kibworth C E Primary School, Fleckney C E Primary School and St Cuthbert's on the 3rd December, however, other feeder schools are welcome to drop entries into our main school office. All entries will be displayed at our Art Exhibition on Friday 7th December (main school hall) 6:30-8pm.

We will be awarding Commendations and Awards on the night. Parents/Carers and pupils are welcome to attend the exhibition and see all the submitted art, alongside some of our existing student's pieces. We will be providing some light refreshments and hopefully a mince pie or two.

Please note:

- Entries must have a label securely attached which clearly states Name/Date of birth/School to ensure they are returned to the correct school for collection following the exhibition.
- Entries can be 3D models/textiles or more traditional pictures, however, please could we request they be no larger than A3 so we can display all entries.
- We cannot accept entries past our deadline, as the exhibition team need to mount and plan the exhibition and judging takes place on that day.
- This is entirely voluntary, and pupils do not have to submit an entry if they do not wish to.

We look forward to seeing some of your fantastic creative ideas and seeing you again at our Art Exhibition.

Yours faithfully,

Miss Nina Watts
Deputy Headteacher
