19<sup>th</sup> November 2018

Dear Parents,

I am delighted to inform you that our Year 6 maths team won through to the semi-finals of the Explore Learning Maths competition.

The judges at the last round gave the following feedback:

*The group came prepared to the competition and worked their way through most of the challenges. We were very impressed with their positive attitude on the day. We would like to see the group read and understand the question carefully before attempting the task to save time and avoid errors. It would be great to see the group challenge each other and convince each other of their logical reasoning. It should be especially noted that we were very impressed with the time that the children took to make sure everyone in the group understood their solutions.*

The semi-finals take place on Wednesday 5<sup>th</sup> December between 11.15am and 1.15 pm at the same venue as last time, Explore Learning at Sainsburys, Fosse Park.

I can again transport the children to and from the venue.

Please give consent for your child to participate in this activity by clicking on the consent button below. Consent will need to be given by **9.30am Monday 26th November**. By giving consent you are also agreeing for your child's photograph to be taken at the competition.

Yours sincerely

Mr Leah  
Head Teacher
