30th November 2018

Dear Parents,

We have been studying Sustainability this term in Year 4 geography. The children and I have been asked to run a stall at the Christmas Fair. We are looking forward to sharing our learning and findings, overseeing a quiz and playing some recycling games with the families who attend the fair.

Many Year 4 children have volunteered to assist me at the fair on Saturday 8th December. I would be grateful if you can indicate below if your child can help and if so, which time slot(s) they will be able to assist with.

I am sure you will appreciate that the children will need to be collected at the end of their session, so that I know they are under safe supervision.

Yours sincerely,

Mrs Styles
Year 4 Class Teacher
