Dear Parents,

Reading in the Foundation Stage

We are continually offering the children in Foundation stage exciting opportunities for reading. As part of this the Foundation Stage staff read 1:1 with every child for 10 minutes, on a weekly basis. This complements our regular class reading and ongoing reading provision within our setting.

We are always keen for parents to be involved in this too, so we would encourage you to write in the Reading Contact Book every time you read with your child at home. We request that you do this at least 3 times a week. As teachers we fully understand family commitments and time is precious, but we would encourage some valuable quiet time in the week where you sit and look at the books in your child's book bag.

In preparation for Year 1, from the Summer Term onwards, we will follow the same system as Key Stage 1. You will be required to write and sign in the reading contact book, to acknowledge that you have heard your child read, in order for the books to be changed. **Your child's reading books will not be changed if you have not heard your child read, during that week.**

If you need further clarification please do not hesitate to ask us.

Thank you for your continued support,

Yours sincerely

The Foundation Stage Team.
