26th February 2019

Dear Parents,

Your child has been invited to take part in a University Experience day led by Loughborough University on Wednesday 6th March.

Primary school students from Fleckney, and our local partnership of schools will spend the day with the students at Loughborough University. They will be involved in a series of hands-on, student led workshops, designed to engage and motivate whilst helping them to them to think about their future.

These workshops will enable your students to learn a little more about the courses that are available and the job opportunities open to them after University.

After lunch, students will get a tour of the University. This is a great opportunity to see the athletics track, a lecture theatre, the Olympic sized swimming pool, an award winning gym and other areas.

There is no cost for this visit. Children will need to wear school uniform and bring a packed lunch and drink with them. The children will travel by coach, shared by our partnership of schools, to and from the University.

We children will need to be at school for 8.50am for a prompt departure. We expect the children to return to Fleckney School at approximately 4.00pm. A member of staff from Fleckney Primary School will accompany the children.

We hope this will be an inspiring day for the children. Please complete the reply section below by 9.30am this Friday, 1<sup>st</sup> March to confirm if you would like your child to take part in this event.

Yours sincerely

Mr T Leah
