Dear Parents,

Recorder Lessons in Year 3

During the next half term, Year 3 will start learning to play the recorder. The weekly lessons will use an innovative, interactive whiteboard programme as well as a tutor book. There will be opportunities for the children to play in assemblies and possibly outside school depending on progress. These lessons will continue when the children move into Year 4.

Every child may purchase a good quality recorder together with their own book at the price of £5.85 for the recorder and £4.00 for the book. **Please visit the Payment section of the Parentmail mobile app or website and click on the 'Shop' tab in order make payment for these items.** *If your child has free school meals, a contribution can be made from the 'Pupil Premium' which is a grant given to schools directly from the Government to be used for children in receipt of free school meals and therefore we request only half of the total cost from parents.* **The payment facility will be available until Sunday 24th February.**

We do hope that you will support this exciting and wonderful scheme which may very well reveal some hidden talents!

Yours sincerely

Miss L Hamilton and Mrs Fremmer
Year 3 Teachers
