

fun french for kids

Harborough Languages

Dear Parent/ Guardian

March 2019

Harborough Languages would like to offer your child the opportunity to join our happy French club! A qualified and experienced teacher from Harborough Languages visits Fleckney Primary School every term- time **Monday lunchtime** to teach the children French using songs, rhymes, games, puppets, craft, drama, signing and books. **Fun French For Kids** is designed to nurture positive attitudes to language learning and other cultures, in a happy, relaxed atmosphere. All sessions are taught with enjoyment in mind so the children effortlessly acquire French and have FUN!

There are so many reasons why it's a good idea to learn additional languages: accelerated progress in literacy, numeracy and creative thinking; future travel, work; cultural & global perspective, to mention just a few. Encouraging children at a young age is the best way to inspire a continued love of languages in to the future.

If you would like your child to take part in these sessions, from **Monday 29th April – 8th July 2019** (no session 6th May or during half term) please email the completed forms to me at helen@funfrenchforkids.co.uk.

Many thanks
