

School Christian Values

Fleckney C of E Primary School is a Church of England school where children, inspired by our Christian Values, learn together to be the best that they can be.

Through **compassion**, **respect**, **responsibility**, **community**, **fairness** and **aspiration** they learn that they are unique and valued and to celebrate the value and uniqueness of others. Our school aims to create an environment where each child can grow academically, socially, spiritually and emotionally.
