Dear Parents and Carers,

I am delighted to inform you that the opening week of the spring term has been a fantastic success. The children have settled back into their routines with enthusiasm, and it has been a joy to see them engaging so positively in their learning. We are off to a wonderful start, and I look forward to the rest of the term ahead.

This year, we are introducing a new **Working in Partnership Agreement**, which I am attaching to this email. This agreement outlines the shared commitments between home and school to ensure the continued success of our students. The importance of a strong partnership between parents and schools cannot be overstated. Educational research consistently demonstrates that when partnership between parents and school is strong and parents are actively engaged in their children's education, it has a direct and positive impact on students' achievement, wellbeing, and overall success.

In light of this, the Working in Partnership Agreement sets out clear commitments from all parties. It encourages:

- **The School's Commitment:** To provide high-quality education and a supportive, inclusive environment where every child is valued and challenged to reach their full potential.
- **The Parent's Commitment:** To support their child's learning, well-being, and attendance, and to engage with the school in an open and positive manner.
- **The Child's Commitment:** To approach their learning with a positive attitude and take responsibility for their actions and progress.

We are excited to continue building on the fantastic partnership we already share with you. The success of our school community relies on the collaboration between staff, parents, and students. Together, we can create the best possible environment for our children to thrive.

You will also receive a ParentMail form where you will be able to acknowledge that you have read the Working in Partnership Agreement. We kindly ask that you complete this at your earliest convenience.

Thank you once again for your ongoing support. We look forward to working together to make this a successful and rewarding term for all.
