Dear Parents and Carers,

At Fleckney C of E Primary School, we believe that strong communication between school and home is vital in providing the best possible education for our children. Our Ofsted inspection in February 2024 highlighted the positive feedback we received from parents, and we are incredibly proud of the praise and constructive comments shared with the inspection team. It is clear that the partnership we have with you plays a key role in supporting our students' growth and success.

As part of our ongoing commitment to enhancing the educational experience for our pupils, we are continually looking for new ways to strengthen this connection and improve our communication with families. We successfully launched Seesaw with two year groups last year. A platform which give us the opportunity to share photos, videos, and updates, giving you a more direct and visual insight into their learning journey. We now have four year groups active on this platform

By joining the Seesaw platform, we hope this will provide you with a more dynamic and interactive way to stay engaged with what is happening at school, and we welcome any feedback you may have to help us improve our approach.

To sign up for Seesaw and begin this exciting new chapter in home-school communication, year 1 parents can follow the link below and select your child from the list.

<https://app.seesaw.me/s/714-842-870>

There is also a Seesaw app that can be downloaded from the 'app' store where you can access your child's 'journal' and also set 'push notifications'.

We are excited about the potential of this new platform and look forward to your participation. Thank you for your continued support, and we remain committed to working together to provide the very best for our children.

Thank you for your continued support of our school,

A handwritten signature in black ink that reads 'Richards'.
