Dear Parents & Carers

RE: Parking Issues

As you will be aware car parking outside of our school is an ongoing issue for local residents. We kindly ask everyone who parks outside of school at collection or drop off times to respect the wishes and rights of our neighbours. Some dropped kerbs have recently been extended and we ask that vehicles should never be left blocking drive ways, mounted on kerbs, or blocking the crossing point to the alley way.

We would also ask that all parents/carers treat our neighbours with respect and refrain from using inappropriate language.

Officers from our local police force hope to be patrolling at busier times in the near future.

We would encourage all of you who drive to school to leave slightly earlier and park slightly further away from the school site. We will be working again with the local authority and aim to resurrect the Park and Stride programme which was launched at the sports centre car park last summer.

Yours sincerely

Mr Leah
