Dear Parents and Carers,

To help kick-start World Book Day next week, we are delighted to share the 4th issue of The Fleckney Review.

This latest edition is packed with recommended books for children across the whole school — from Foundation through to Year 6. Inside, you will find a wide range of suggestions including graphic novels, chapter books and picture books, ensuring there is something to inspire and engage every reader.

You can read the latest issue here:

The wishlist includes a wide selection of high-quality texts which act as a recommended reading list for children. Families may wish to use it for ideas, and books can also be purchased and donated directly to the school.

Since launching the wishlist, we have received over **£700** worth of books donated to the school. We are incredibly grateful for your generosity and continued support — it is already making a real difference to our children's reading opportunities.

Thank you, as always, for supporting reading at home and in school.
