

Excellence In Outdoor Learning

Dear Parents and Carers,

## **Explorers@School in Summer Term 1!**

Spaces are now available to book for next term's Explorers@School. Our award-winning afterschool club will be running from Monday 13<sup>th</sup> April, 3.15pm-4.15pm, for children in Foundation Stage all the way through to the Year 6 children for the six week term, (although we will not be running on the Bank Holiday Monday).

Our engaging outdoor learning sessions, led by Mrs Warburton and the Outdoor Explorers team, offer children the chance to develop new skills through hands-on activities in the school's Forest School Garden.

Each week, children will take part in authentic, creative outdoor challenges designed to build confidence, curiosity, and a love of nature. Alongside the structured activities, there will also be dedicated free-play time, giving children the freedom to explore bug hunting, mud kitchen cooking, hammocks, nature art and large loose parts construction - all fantastic opportunities for imaginative play and physical development.

### Meet the Team

Our enthusiastic team of outdoor teachers, specialists and nature lovers, Mrs Warburton, Mrs Dodwell, Mrs Griffin, Mrs Phelps and Mrs Brown will guide the children as they explore a range of exciting skills, including safe tool use, bushcraft, art, campfire activities, and gardening.

Spaces do get snapped up very quickly, (thank you so much!). If you would like your child to take part in this fabulous club, please visit

<http://bookwhen.com/outdoorexplorers123> to book a place for next half term.

Warmest regards,

**Alice Warburton**
