Dear Parents,

Key Stage 1 Sports Day Invitation
Wednesday 17th June 2026 @1.45pm – 3.00pm

This year, the KS1 Sports Day will take place on Wednesday 17th June.

The children will compete in traditional races on both sides of our track with Year 1 competing in the middle of the field and Year 2 on the right hand side of the field at the same time. Towards the end of the afternoon the Year 2 children and guests will join the Year 1 children and guests on the middle track for a parents/carers race!

We would like the children to come in a T shirt that matches the house they are in. The children will know which house they are in but please chat to a member of staff if you need to.

They are:

Queen Elizabeth = Blue

David Attenborough = Green

Marcus Rashford = Red

Malala Yousafzai = Yellow

Please could you also make sure that all children are wearing the rest of their **outdoor PE kit and suitable trainers** and have had sun cream applied (if the weather is sunny) for this event. Your child will also need to bring a **sunhat** to wear and make sure their water bottle is in school as usual. We will make sure they are full before heading outside.

Parents/carers are most welcome to watch their child/children take part. As the children will compete in the same place for most of the afternoon you may wish to bring a picnic blanket or camping chair to enjoy the events from.

The gate by the Year 3/4 entrance will be opened just before each session begins. Please make your way onto the school field. There will be plenty of space **in the middle** of the field for you to find a space near to the track your child will be competing on. The gate will be then be locked to ensure our site stays as secure as possible. If you arrive late please go to Reception via the Main Entrance to be admitted. After the event has finished please stay on the field until all of the children have gone back into school to allow staff to supervise the children safely back to class before heading to the usual collection points.

You are welcome to take photographs/video of your child during the event, but please do not share any on social media that contain children other than your own. Thank you for your co-operation with this. Please note that **no dogs are allowed on site**.

Yours sincerely
