FS Sports Day Invitation Thursday 18th June @ 10.00-11.30am

We would like to invite you to our FS sports day being held Thursday 18th June at 10.00-11.30 am. The children will take part in a number of sports activities and races across the morning. This will include traditional throwing, relays and team games in their classes as well as traditional races on the track.

We encourage you to follow your child's class around the activities and cheer them on and then watch as they take to the track for some more competitive races including a sprint race. There may even be an opportunity for some parent/carer races so make sure you wear your trainers!

Your child will need to wear their **normal PE kit and suitable trainers** and have had sun cream applied (if the weather is sunny) for this event. Your child will also need to bring a **sunhat** to wear and make sure their water bottle is in school as usual. We will make sure they are full before heading outside.

The gate by the Year 3/4 entrance will be opened just before the beginning of the session. Please make your way onto the school field. The gate will be then be locked to ensure our site stays as secure as possible. If you arrive late please go to Reception via the Main Entrance to be admitted. After the event has finished please stay on the field until all of the children have gone back into school to allow staff to supervise the children safely back to class.

You are welcome to take photographs/video of your child during the event, but please do not share any on social media that contain children other than your own. Thank you for your co-operation with this. Please note that **no dogs are allowed on site**.

Yours sincerely,

The Foundation Stage Team
