Dear parents and carers,

Welcome back to a new school year! What a wonderful first week we have had. It has been such a joy to see the school buzzing with energy, excitement and enthusiasm once again, and I am incredibly proud of the fantastic start the children have made. The children have returned looking smart, happy and ready to learn. They have shown such wonderful enthusiasm, kindness and determination throughout the week. There is already a real sense of excitement and positivity across the school, and we are looking forward to all that the year ahead will bring.

A very warm welcome once again to our new Foundation Stage families. Your children have made a fantastic start, settling into their new surroundings, building relationships and growing in confidence with each session. We are so pleased to have you as part of our school community and look forward to watching your children flourish as they begin their school journey with us.

This week, we have also had a big push on our Seesaw platform, and we are delighted that all families in Years 1–6 are now signed up. Thank you for your support with this.

We are really excited to make even greater use of Seesaw throughout this school year. It will give you a wonderful insight into what life is like for your children at school, allowing us to share their learning, experiences, achievements and some of the exciting things happening across the school. Our new Foundation Stage children will be introduced to Seesaw during the Summer Term 2027, ready for their transition into Year 1. If you experience any problems accessing or using Seesaw, please contact the school office, who will be happy to help.

A reminder that all year groups continue to have their own year-group email addresses, which you can use to contact your child's teachers. We kindly ask that emails to teachers are sent at appropriate times and through the relevant year-group email address. Our teachers are very committed to supporting your children and will respond as soon as they are able to during their working hours.

Thank you for your continued support in helping us to make communication between home and school as effective as possible.

As we come to the end of our first week, I would like to say a huge thank you to all of our families. Your support, encouragement and partnership make such a difference to your children's experience at school. It has been a fantastic first week, and we are already looking forward to everything the year ahead has in store.

Here's to a happy, successful and exciting year ahead, where every child has the opportunity to let their light shine.

Mr Richards
Headteacher.

Be the best you can be !

Let your light shine
