

Fleckney Primary School - Maths Yearly Overview - Year 1

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12	Week 13	Week 14	Week 15	Week 16	Week 17
Autumn	Maths activities	Maths activities	Place Value: Numbers to 10 Count to 10, forwards and backwards Count, read & write numbers to 10 Identify & represent numbers using objects Identify & represent numbers using pictures Identify one more or one less Use language of: =, >, <, most, least to compare and order numbers				Number: Addition and subtraction (within 10) Understand that a number can be partitioned into two or more parts Use the language of addition, including add, plus, is equal to		HALF TERM	Number: Addition and subtraction (within 10) Use the + and = symbols Know that the order of addition equations can be varied and write addition fact families			Geometry shape Recognise/name/sort common 2D shapes Recognise/name/sort common 3D shapes	Number: place value (within 20) Count to 20, forwards and back Count, read & write numbers to 20 Identify & represent numbers using objects & pictures Identify one more or one less Use language of: =, >, <, most, least to compare and order number s			Christmas week
Spring	Number: Addition and subtraction (within 20) Represent and use number bonds Know number bonds to 10 Read statements involving + and = Add one digit numbers to 10 Solve one step + problems Read statements involving - and = Subtract one digit numbers to 10 Solve one step - problems			Measurement: Time Before and after, Days of the week, Months of the year.	Place Value (within 50) Represent and use number bonds Know number bonds to 10 Read statements involving + and = Add one digit numbers to 10 Solve one step + problems Read statements involving - and = Subtract one digit numbers to 10 Solve one step - problems		HALF TERM	Measurement: Money Unitising, Recognising coins, Recognising notes, Counting in coins	Number: multiplication and division Count in multiples of twos, fives and tens. Solve one step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher								

Fleckney Primary School - Maths Yearly Overview - Year 1

Summer	Number: fractions Recognise and name a half as one of two equal parts of an object, shape or quantity.	Number: place value (within 100) Count, read & write numbers to 100 Identify & represent numbers using objects & pictures Identify one more or one less Use language of: =, >, <, most, least to compare and order numbers	Geometry: position and direction Describe position, direction, movement including whole, half, quarter turns	Number: fractions Recognise, find and name a quarter as one of four equal parts of an object, shape or quantity	Measurement: Time Tell the time to the hour and half hour	Measurement: length and height Compare lengths and heights Measure and begin to record lengths and heights using non-standard units. Use a ruler to measure length in cm	HALF TERM	Measurement: Mass and volume Compare mass/weight	Phonics screening week	Assessment Week	Measurement: Mass and volume Compare capacity and volume	Number facts and problem solving
