

SEND at Fleckney School?

Aim

Our aims for our SEND children are:

to raise the aspirations of and expectations for all pupils with SEND, we provide a focus on outcomes for children and young people and not just hours of provision/support. We believe these outcomes should be based on the child's individual needs and developed in conjunction with the parents and the child.

All children and young people are entitled to an education that enables them to make progress so that they:

- achieve their best
- become confident individuals living fulfilling lives, and
- make a successful transition into adulthood, whether into employment, further or higher education or training

Planning and Delivery

Children who are assessed and identified as SEN are provided with targeted support/intervention using a range of equipment/resources to try to narrow the gap in their learning. In the first instance, teachers use Quality First Teaching to ensure all children in their class are making the expected progress and appropriate interventions are put in place to try to close the gap if any are identified.

If a child is in need of Emotional/Social support, class teachers can refer to our ELSAs for a block of specific, targeted support.

All teachers at Fleckney are teachers of SEND children - they are all trained in various areas of SEND including: Autism awareness; Team Teach; CFF Parent Support.
